To the Editors of Environmental Health

The following changes have been made to the manuscript on your request:

- i) Square brackets have been inserted instead of regular reference marks.
- ii) Page 3: "Unspecific" has been replaced by "nonspecific".
- iii) On page 6: "..the 90's" has been substituted with "..the 1990s".
- iv) Page 6 and 7: The phrase "aimed patch testing" has been removed and substituted with a more detailed explanation.
- v) All text in figure 1 has been removed.

Also, in the section "Discussion" the paragraphs 4 and 5 have been exchanged.

Sincerely,

Charlotte Devantier Jensen
