

Reviewer's report

Title: Characterization of exposures to cleaning products used for common cleaning tasks in hospitals -a pilot study

Version: 2 Date: 21 October 2008

Reviewer: Jan-Paul Zock

Reviewer's report:

The authors have satisfactorily responded to all reviewers' comments. The result is a more concise, but highly informative paper. I don't have any more comments.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
