

Reviewer's report

Title: Consumer exposure to biocides - identification of relevant sources and evaluation of possible health effects

Version: 2 **Date:** 10 November 2009

Reviewer: Margaret Quinn

Reviewer's report:

The authors have sufficiently addressed all previous comments.

There is only one discretionary revision suggested: the last few sentences of the first paragraph of the discussion need editing for clarity.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
