

Author's response to reviews

Title: Recreational and occupational field exposure to freshwater cyanobacteria - a review of anecdotal and case reports, epidemiological studies and the challenges for epidemiologic assessment

Authors:

Ian Stewart (i.stewart@uq.edu.au)
Penelope M Webb (Penny.Webb@qimr.edu.au)
Philip J Schluter (philip.schluter@aut.ac.nz)
Glen R Shaw (g.shaw@uq.edu.au)

Version: 3 **Date:** 12 May 2005

Author's response to reviews:

Dear Dr Grandjean,

This revised submission covers the following matters:

1. Figures 1-4 submitted as JPEG files to embed fonts; fonts changed to Arial
2. Paper unjustified and double-spaced
3. Table 2 submitted as a separate file. Unfortunately, I am not able to present this table in portrait page setup.
4. One reference omitted in error yesterday - now added

Please ignore supplementary file - this was my EndNote library. I have manually fixed references requiring URLs.

With thanks,

Ian Stewart
