

Reviewer's report

Title: Respiratory symptoms in children living near busy roads and their relationship to vehicular traffic: Results of an Italian multicenter study (SIDRIA 2)

Version: 5 **Date:** 7 May 2009

Reviewer: Bert Brunekreef

Reviewer's report:

I'm satisfied with the responses of the authors; I apologize for having persisted on some of the issues but I believe the paper is now of more interest than in its original form. I hope to see it in press soon!

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
